

**Strutt's Park**  
Residents' Association

## **SPRA COMMITTEE MEETING 20 MAY 2021**

### **KEY POINTS**

#### **Matters from the 2021 Virtual AGM**

**Dog Fouling:** North Street and North Parade, and early evening having been identified as the principal locations and time for this problem, the issue will be pursued further with the Ward Councillors.

**HMOs:** The SPRA will contact other Residents' Associations to see if they also have concerns about HMOs being formed without the need first to obtain planning permission before taking up the matter further with the Ward Councillors.

**Bins on Streets:** The SPRA will press the Ward Councillors to continue to press for resolution to this problem.

**Neighbourhood Watch:** The recent residents' survey having identified crime levels as an issue in the area, it may be that some concerned local residents would like to consider setting up a Neighbourhood Watch in their street. If this is something you would like to consider, please go to: <https://www.derbyshireneighbourhoodwatch.co.uk/setting-up-a-scheme/> for further details. (If anyone does establish a new Neighbourhood Watch, please let the SPRA Secretary know so that the whole of the SPRA can be kept informed.)

#### **Parking at junctions**

After a recent problem with a large delivery lorry causing damage to cars parked very close to a street junction in the area, the SPRA is pressing for City Council action to improve the situation.

#### **Cast metal street nameplates**

The cast iron street nameplates stolen from various locations round the area have recently been replaced with new cast metal signs, which is a great improvement.

#### **Next committee meeting**

The next meeting of the SPRA committee is set for Thursday 22 July 2021. Please let the Secretary know in good time if there are any matters SPRA members would particularly like the committee to consider.
