

SPRA COMMITTEE MEETING 27 APRIL 2022

KEY POINTS

Facebook launch

We are starting a new SPRA Facebook page and using that, and posts on the Strutt's Park Community Group Facebook page, we hope to widen our contact base to become more inclusive of the whole area, and to engage with more local residents. If you use Facebook, do join us there!

Houses in Multiple Occupation (HMO)

Encouraged by the discussion at the recent SPRA AGM, we are asking local residents who would like to see controls introduced on the creation of new HMOs in the area to raise the issue with the City Councillors, and the candidates in the forthcoming (5 May) local elections for Darley Ward. More information is available on the SPRA website, or you can contact the Secretary (as below) for further information.

Community activities – Open Gardens

In response to the suggestion at the AGM of the desirability of more local community events, the SPRA is going to try an 'Open Gardens' day on Saturday 2 July 2022. So far we have two gardens that will be open, but we could do with a couple more to make it more interesting, so if this is something you think you could volunteer to do that day, please let the Secretary (as below) know and he will keep you informed as the details are worked out. Be assured, your garden does not have to be large, or in perfect order, to be included – the idea is to provide places for neighbours to socialise in relaxed settings, rather than to demonstrate horticultural prowess!

Next committee meeting

The next meeting of the SPRA committee will be on Tuesday 31 May 2022. Please let the Secretary know in good time if there are any matters SPRA members would particularly like the committee to consider.
