

SPRA COMMITTEE MEETING 28 JANUARY 2021

KEY POINTS

Vision for Strutt's Park and the SPRA

In order to engage more fully with local residents we are planning to undertake a survey to determine areas of interest and concern both in relation to the physical environment and also the sense of community in the area. Amongst many other things we will include in the survey:

- Air quality
- Houses in Multiple Occupation (HMOs)
- Electric vehicle charging points

Refreshing the SPRA Website

As the current arrangements for hosting and editing the website will soon no longer be available, we are taking the opportunity to refresh the website.

Improved home security

Under the Government's Safer Streets Fund, it is possible for any resident of the Strutt's Park area to have a crime prevention visit by Derby Homes. If the visit identifies the need for added security measures, many of these can be implemented, free of charge to the resident, under the scheme. To book your appointment, telephone Derby Homes on 01332 888777 (09.00 am – 3.00 pm) or E-mail CPT@derbyhomes.org. Do this soon, as the scheme stops on 31 March 2021.

SPRA AGM 2021

As it is unlikely that we shall be able to hold our AGM as usual in March/April 2021, we are hoping instead to hold virtual meeting by 'Zoom', one evening in April. This will be open to existing SPRA members and also to all local residents, and will contain some of the elements of the AGM, but from the comfort of your own home. We hope to publicise the event widely round the area, so look out for further details.

Next committee meeting

The next meeting of the SPRA committee is set for 18 March 2021. The meeting will be planning for the substitute AGM, but please let the Secretary know in good time if there are any matters SPRA members would particularly like the committee to consider.
